1. Read accounts of receipts and expenditures for July 1887.

The receipts under the head of Octroi amounted to Rs. 284-15-3 as contrasted with Rs. 534-14-½ under the same head in the month of July last year. The falling off has been mainly in the items of duty on piece goods and oils.

The expenditures during the month amounted to Rs. 1,519—11—4 including Rs. 391—1—10 on account of work executed to the Park well.

Resolved that the accounts be passed with the remark that the decrease above noticed is far from satisfactory.

2. Read docket No. 22 of the 6th August 1887 from the Police Assistant Commissioner enclosing a bill for Rs. 33—3—0 for six bull's eye lanterns to be used by the Town Police.

The meeting observe that this item is not provided in the budget estimate for the current year; and they regret that in the present state of their funds they are not in a position to find means for the charge. If timely intimation is given, provision will be made in the budget for 1888—89.

3. Read Shimoga Amildar's Ittilla No. 124, dated 9th July, together with records in connection with the complaint from Krishnarajpur Venkataramana Sastri, &c., that with the intention of preventing the residents of their street from taking water of the public well (situated in the open space where the people set Kama every year during the Holi festival) Harihar Gunde Rao has commenced to build a house, and that the building work must be stopped.

The Board find that in the year 1884 the residents of Krishnarajpur street lodged a suit in the Civil Courts against Harihar Gunde Rao and another, that the latter prevented the former from setting Kama in the open space (Maidan) in dispute; and decrees were passed in favor of the residents of the street, *vide* decrees filed in the record in O. S. No. 528 of 1884 on the file of the Shimoga uMnsiff's Court and Appeal Suit No. 35 of 1885 on the file of the District Court, Nagar.

In the existence of the Court decisions as above set forth, the Board consider that they cannot interfere in the matter. The only course open is for the aggrieved party to take action through Courts according to law.

4. Read Ittilla No. 364, dated 16th July 1887, in *re* the compensation claimed by H. Srinivas Rao owing to some land having been taken up for new roads and planting avenues, &c., in the Bidarkatte kaval (Maharaja's Park) the grazing of which he had purchased for the year Vyaya, 1886—87, for Rs. 104.

Resolved that a remission of Rs. 35 be granted from the amount due from H. Srinivas Rao on account of the hulbanni sale, as it appears that after the sale was conducted roads were laid out and many plants were put down on the road sides and other spots in the Park.

5. Read Shimoga Amildar's Ittilla No. 1725, dated 23rd instant, enclosing a statement of remissions to be granted in the town mohatarfa on account of previous years arrears.

Resolved that remissions to the amount of Rs. 31 be granted as detailed in the marginal statement.
